**I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.**

COMMENTS: This restriction of availability would have  
a severe impact upon many women, including  
myself. I am voicing my concern and my  
request for a reconsideration and a reversal  
of this proposal.
